Help make the holidays a little brighter for a local senior citizen this year!

GS Interact is proud to sponsor the Adopt a Senior project, in which we will be seeking a gift (\$15-30) for each of the 100 senior citizens at Penn Towers in Greensburg. Suggestions for gifts include blankets, masks, socks, treats, hats, gloves, or anything you think will bring joy!

Interactors will arrange to pick up your generous gift before Christmas so we have time to deliver before the holiday.

Contact any Interactor or text 724.672.7329 to sign up to adopt!

ADOPT A SENIOR

For the second year in a row the Greensburg Salem High School Interact Club is holding its "Adopt a Senior program. The Interactors are adopting senior citizens who reside in Penn Towers, a local senior high rise and purchase AND distribute Christmas gifts to them.

It has been a while since we have heard from the Hempfield Area High School Interact!

But they are alive and well. They recently organized and collected Pennies for Polio and raised more than \$1,000 for their efforts. The money was sent to the Rotary Foundation and was earmarked for End Polio Now. GREAT JOB!

RYLA

This past year many felt that the information for RYLA at both LaRoche University and Outdoor Odyssey was late coming out. That is not going to be the case for RYLA 2022! Information and registration forms are available NOW at: www.ryla7305.org. The dates for RYLA in 2022 are June 26 through July 1. Both programs, LaRoche and Outdoor Odyssey will be held at the same time. Be sure to contact your local Rotary Club to see if they would be willing to sponsor you.
