

Interact  
Rotary District 7305

May

MAY 2024

Stay  
tuned

It will be more important than ever to stay in touch during the summer months this year.

The Rotary District is planning some neat outings this summer, to which Interactors will be able to attend. As details become available I will send information to you, so please check the email account where you receive the monthly newsletter.

Remember that when we have tags available for the Ukrainian orphans this year we will let you know via email. We need to start much earlier this year, so you will need to have purchased the gifts and bring them to the Interact District Conference on Thursday, October 17 at the Greensburg Country Club where they will be packed for shipping.

We are keeping another really cool event under wraps until we know if it will be happening. So stay tuned during the summer months!!

**is the deadline to submit your Interact Club(s) of the Year Nomination form.**

At a recent meeting, Bethel Park Interact had the opportunity to bring in Amy and Cassie from the Ronald McDonald House

Charities Foundation of Pittsburgh and Morgantown. Their organization provides housing, food, comfort, and so much more to those who have children in a hospital. It allows families to focus all of their attention on their child's health. The parents get to take care of their sick children while the Ronald McDonald House takes care of the parents and siblings. Thank you Amy and Cassie for expressing the importance of helping others to our Interact Club!

Be sure to continue reading Page 3 to see other activities by the Bethel Park Interactors, a busy group for sure!

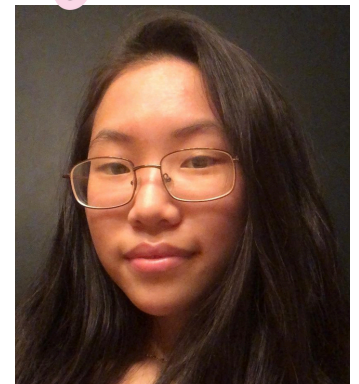

## REMINDER

Remember that we will again be collecting sneakers at the Interact District Conference on Thursday, October 17. Keep your eyes open and spread the word to save those old sneakers to help Interact in District 7305.

**gotsneakers?**  
A Sneaker Recycling Organization

*thank you*

As both the Rotary Year and the school year wind down. We need to pause and give a great big THANK YOU to our District 7305 Interact District Governor, Angel Qu.

Angel had a fantastic year of leadership! She oversaw a very successful District Conference in October, initiated our Ukrainian Orphanage Project, organized the Trivia Challenge and with the help of Cassidy Griffith, organized the Poverty Simulation in March. GREAT JOB!!!

FROZEN SENSORY MOVIE NIGHT
